SUBJECT INDEX

	Page		Page
<i>Aedes aegypti</i> , genetic response in environmental temperatures	7	Blood group substances in <i>Paragonimus westermani</i>	525
<i>Aedes aegypti</i> surface preferences for oviposition	209	Blood parasites of wild animals in S. Kalimantan	42
Amoebiasis, cell-mediated immunity	346	<i>Brugia malayi</i> , immune mechanism <i>in vitro</i>	618
Amodiaquine, anti-acetylcholinesterase activities	37	<i>Brugia malayi</i> in cats, studies of lymph vessels	174
Ancylostomiasis problem in Indonesia	451	<i>Brugia malayi</i> , sub-periodic, epidemiology in Malaysia	459
<i>Angiostrongylus cantonensis</i> , biogenic amines	455	<i>Brugia pahangi</i> , mosquito susceptibility	462
<i>Angiostrongylus cantonensis</i> in wild rats in Brisbane	608	Canine microfilariae diagnostic test	282
<i>Angiostrongylus malaysiensis</i> , effect of mebendazole	228	<i>Cardiofilaria</i> in Kuala Lumpur	611
<i>Anopheles camprestris</i> , Chumporn, natural mating	284	Catalase reaction to differentiate <i>Neisseria sp.</i>	166
<i>Anopheles dirus</i> , blood feed by membrane feeding	123	Cellulose acetate membrane test in amoebiasis	353
<i>Anopheles</i> mosquitoes susceptibility to <i>Brugia pahangi</i>	462	Chemotherapy of intestinal parasites	422
Anticholinesterase activity of diethylcarbamazine	189	Chigger borne rickettsiosis, vectors	469
Antihemagglutinin fragments in <i>Vibrio cholerae</i> infection	506	Chloroquine resistance <i>P. falciparum</i> from Lampung, Sumatra	69
Apthous ulcers and herpes simplex virus	533	Circumoval precipitin test for schistosomiasis japonica	384
Aquatic plants, breeding hosts for mosquitoes	402	Classification of scrub typhus isolates	148
Arboviruses in Indonesia		Cockroaches survey in Chantaburi province, Thailand	124
<i>Armigeres subalbatus</i> vector of <i>Dirofilaria immitis</i>	611	Conjunctivitis by enterovirus 70	473
<i>Artocarpus lakoocha</i> extract for taeniasis	568	<i>Cornybacterium diphtheriae</i> identify by carbohydrate test	145
Ascaridoid larvae in marine fishes	590	<i>Culex quinquefasciatus</i> , aspects on biting cycles	74
<i>Ascaris</i> prevalence in rural Bangladesh	539	Cysticerci of <i>Taenia solium</i> , antibodies by ELISA	
Atmospheric pollens and molds survey	571	Cytomegalovirus antibodies among Thais	141
Bacilli, non-fermentative, detection	467	Dengue hemorrhagic fever cases in Thailand	338
Bacterial enteric pathogens in Vietnamese refugees	151	Dengue hemorrhagic fever in Jakarta	83
Bancroftian filariasis in leaf monkeys	581	Dengue vector control in Indonesia	435
Bancroftian microfilaraemia	487	Dengue virus serotypes	434
		<i>Dermatophagoides pteronyssinus</i> , biology	614

SUBJECT INDEX

	Page		Page
Diarrhoeal treatment center in Bangladesh	539	<i>Giardia lamblia</i> infection, serum proteins	125
Diethylcarbamazine, anticholinesterase activity	189	Giardiasis in children, treatment	231
Diethylcarbamazine in bancroftian microfilaraemia	487	<i>Gnathostoma</i> infection diagnosis by radioimmunoassay	410
DDT resistant <i>Culex quinquefasciatus</i> , effect on size and survival	79	<i>Gnathostoma spinigerum</i> , study on CNS migration	63
Echinococcal cyst of lung	457	Gnathostome, spontaneous exit	376
Ectoparasites in West Sumatra	275	Gnathostomiasis in Southeast Asia	319
ELISA, antibodies to cysticerci of <i>Taenia solium</i>	499	Haemoglobin Bart's in cord blood of Malaysians	87
<i>Entamoeba histolytica</i> , four strains in CAP test	353	Haemoglobin levels in Filipino pregnant women	396
Enteric pathogens in Vietnamese refugees	151	Health and nutritional problems in water resource development	402
Enterovirus 70 conjunctivitis in Singapore	473	Herpes simplex virus in patients with aphthous ulcers	533
Epidemiology of malaria in Southeast Asia	289	Herpes virus infection, latent, prevalence	157
Epidemiology of malaria in West Thailand	441	Hookworm infection, effect of mass treatment	450
<i>Exoristobia philippinensis</i> parasitoid of flies	615	Hookworm prevalence Bangladesh	539
Falciparum malaria in Djoumouna, Congo	442	Human opisthorchiasis, praziquantel	598
Fansidar in gnathostomiasis	454	Hypoxaemia and effect of aspirin in thalassaemia	90
Filarial enzymes by starch gel electrophoresis	513	Immune complexes in filariasis	492
Filariasis, feline and human, immune complexes	492	Immunology of malaria	308
Filariasis in different ecotypes in West Flores	461	Intestinal helminthic infections in orphanges	371
Filariasis, malayan in Bengkulu, Sumatera, Indonesia	47	Intestinal parasites, determination of sample size	380
Filariasis, parasitological, entomological studies in Sarawak	30	Intestinal parasites in Bukidnon, Philippines	24
Flavivirus in Thai infants	344	Intestinal parasites of man in Oriental Mindoro, Philippines	13
Flies distribution in Thailand	458	Intestinal parasitic infections in Southeast Asia	262
Flubendazole on <i>Angiostrongylus malaysiensis</i>	228	Intrauterine infection in Thai infants	432
Folic acid binding protein in cord blood	242	<i>Iso sporo belli</i> treatment by Fansidar	449
Folic acid in cord blood	242	Japanese encephalitis cases in Thailand, surveillance	333
Food and nutrition monitoring system	406	Kato thick smear techniques, comparison	278

	Page		Page
<i>Leptotrombidium</i> , vector of chigger-borne rickettsiosis	469	Mosquito inoculation for arboviruses	544
Leucocyte changes in falciparum malaria	466	Mosquitoes in Singapore, insecticidal susceptibility	222
Leucocyte migration agarose test in amoebiasis	346	<i>Musca domestica</i> insecticide resistance	213
Levamisole in gnathostomiasis	454	Mycetoma in Thailand	468
Liver fluke disease, altered collagen metabolism	456	<i>Neisseria gonorrhoeae</i> in patients in Jakarta	536
<i>Makifilaria inderi</i> from Island flying fox	185	Neonatal malaria in Southern Thailand	99
Malaria and ovalocytosis in Papua New Guinea	549	Nutritional anaemia in cirrhosis of the liver	561
Malaria antibody titres by indirect fluorescent test	111	Nutritional status of schoolchildren	604
Malaria, asymptomatic infections and immunity	448	<i>Oncomelania hupensis lindoensis</i>	452
Malaria endemicity in Afrotropical region	439	Opisthorchiasis, clinical trial with Niclofolan	107
Malaria in Khmer refugees	438	Opisthorchiasis, serum proteinase inhibitors	455
Malaria in Orang Asli children in Malaysia	438	Opisthorchiasis, treatment with praziquantel	413
Malaria in sugarcane plantations	440	Organophosphate insecticides on red cell cholinesterase activity	94
Malaria LA ₁ antigens	446	Ornidazole in treatment of giardiasis	231
Malayan filariasis in Thailand	460	Ovalocytosis and malaria in Papua New Guinea	549
Malnutrition, serum proteinase inhibitors	456	Pathogenesis of malaria	251
Mammalian cell culture for arboviruses	544	Pathophysiology of malaria	298
<i>Mansonia crassipes</i> and <i>M. uniformis</i>	612	Paragonimiasis endemic foci in Mekong riparian areas	127
<i>Mansonia</i> mosquitoes, colonization	464	<i>Paragonimus</i> infection, humoral immune response	364
Mansonioides mosquitoes, oviposition	463	<i>Paragonimus westermani</i> , blood group active substances	525
Marine fishes, ascaridoid larvae	590	Parasitic infections in Thailand	200
Mebendazole in opisthorchiasis	595	Parasitic infections, serodiagnosis	433
Mebendazole in treatment of soil-transmitted helminths	236	Parasitoids of flies in Thailand	459
Mebendazole on <i>Angiostrongylus malaysiensis</i>	228	Paratyphoid A in Singapore, epidemiological studies	55
Mefloquine in chloroquine resistant falciparum malaria	445	Penicillinase producing <i>N. gonorrhoeae</i> in patients	536
Mekong schistosomiasis in Kampuchean refugees	603	<i>Plasmodium berghei</i> infected erythrocytes, chloroquine	447
Melioidosis in Thailand	466	<i>Plasmodium cynomolgi bastianellii</i> infection	444
Methicillin resistant staphylococci	470	<i>Plasmodium falciparum</i> cultivation	446
Metronidazole in treatment of giardiasis	231		
Metronidazole on <i>Trichomonas vaginalis</i>	469		
Molds survey in Bangkok	571		

SUBJECT INDEX

	Page		Page
<i>Plasmodium falciparum</i> , purification by sorbitol lysis	447	Scrub typhus isolates from Melanesia	148
Platelet aggregates in thalassaemia	556	Serum proteinase inhibitors in preschool children	606
Polio-antibody survey in Thailand	436	<i>Shigella sonnei</i> , pattern of colicine types	169
Pollens survey in Bangkok	571	Snail intermediate hosts of parasitic infections	200
Praziquantel in gnathostomiasis	454	Snails, fresh water, bionomics, field studies	204
Praziquantel in opisthorchiasis	413	Snake bite in Jakarta	458
Primaquine on gametocytes and sporogony of <i>P. falciparum</i>	445	Streptococcal infection by indirect hemagglutination test	481
<i>Pteropus hypomelanus</i> infected with <i>Makifilaria inderi</i>	185	Sulfadoxine-pyrimethamine resistant malaria	418
Puag-haad in treatment of taeniasis	568	Syphilis, diagnostic tests	610
Pulmonary paragonimiasis with expectoration of worms	104	Taeniasis treatment with <i>Artocarpus lakoocha</i> extract	568
Pyrantel pamoate in treatment of soil-transmitted helminths	236	<i>Taenia solium</i> cysticerci antibodies in Asia and Pacific	499
Quantitative thick smear method for <i>S. japonicum</i>	280	Thalassaemia and effect of aspirin	90
Rabies, kinetic of antibodies	431	Thalassaemia, increase in circulating platelet aggregates	556
Rabies vaccine studies	431	Tinidazole in treatment of giardiasis	231
Rabies virus isolates, antigenic differences	432	<i>Toxorhynchites</i> mosquitoes, electrophoretic patterns	613
<i>Rhipicephalus haemaphysaloides</i> life cycle	615	Treatment of intestinal infections in orphanages	371
